SX International Cup

Please keep in mind that the spirit of this event, for all levels, is to have fun and compete against other teams of similar ability. We understand that everyone likes to win; however, in the process, we expect that all teams respect their opponents and the match officials.

All teams shall be expected to play their first game as early as 8:30AM on August 31st and their final games as late as 4:30PM on September 2nd. Please consider this in your travel plans. Requests will be considered but not guaranteed. Each year more than 300 teams travel to this top tournament and it's simply not possible to accommodate everyone.

The SX International Cup has a zero-tolerance policy for verbal and/or physical abuse of any referee by players, team officials, parents or spectators and will take any infraction seriously (potential suspension for entire event or team expulsion from the tournament)

All participants should be aware that Field Marshals have the authority and right to remove any unruly or uncivil spectators from the game field perimeter and/or the field complex area.
